

Dear _____ ,

I am so moved to share this letter with you. Isaiah 42:22 was once me: *“But this is a people robbed and spoiled; they are all of them snared in holes, and they are hid in prison houses: they are for a prey, and none delivereth; for a spoil, and none saith, Restore.”* My name is Rev, Dr. Brook Parker Bello, the founding CEO of More Too Life and Youthiasm®. You can view my ([FULL BIO](#)) here and learn more about More Too Life by visiting www.moretoolife.org as well as dive deeper into the curriculum side of the work by Youthiasm® at www.sosuniversity.com. As an ordained minister and holding a Doctorate in Pastoral Clinical Counseling I have a passion for God’s word. As a teacher, actor, preacher, author, entrepreneur, visionary, curriculum developer and mentor, I am also a multiple award-winning social innovator, and have distinguished myself with these works, addressing different social issues including human trafficking, “the legacy of fatherhood™” sexual abuse and behavioral health. A highly sought-after international speaker, I am intentional in the strive that God has given me towards addressing critical societal challenges within the framework of Godly teachings.

My fellow friends and pastors are blessed to be surrounded by people of faith, prayer teams, and ministerial support, yet for many of us on the frontlines of difficult issues, such as human trafficking, do not always receive this kind of support. Even though we at More Too Life, fight the good fight with our alignment to faith, hoping for better lives for those victims, from the age of five and up, who have been crippled by repeated rapes, beatings and other violent trauma, we are often out there without the full support from the body of believers who truly understand the depth of what our teams and staff face their work each day. That can change with your loving help! I am here to invite you to be one of the giant slayers of human trafficking by getting to know us and the work we do, as well as considering the contribution of a monthly gift. We are excited to invite you to join our inaugural **100 Churches** initiative, as a vital component of our “Passion for More Campaign.” By being one of the first 100 of our Inaugural 100 Churches Initiative, you are assisting us in getting to our goal of 1000 churches that pledge to give \$150 or more for 18 consecutive months or/and beyond.

On behalf of myself, our Board of Directors, and the entire team at More Too Life, we are grateful for your consideration to become one of these empowering churches to walk alongside children, young adults and our communities who have been caught in the vicious cycle or are negatively affected by human exploitation. God’s blessings to you and your church family, and your entire community.

Sincerely,

Dr. Brook Parker Bello
